3. The Savings Bank subsisting at the time when this Act comes into operation is deemed to be constituted and appointed under this Act.

General management

4. Subject to section 10, the Savings Bank shall be under the management and control of the Accountant General who may, subject to this Act and any rules made thereunder, take such steps as may be desirable for the encouragement of thrift, for the proper management of the Savings Bank, and otherwise for the promotion of the objects and purposes of this Act.

(Inserted by Act 12 of 1968)

Security of Government

7. The payment of all moneys deposited in the Savings Bank together with interest thereon is guaranteed by the Government of Montserrat, and accordingly if at any time or times the assets of the Savings Bank are insufficient to pay the lawful claims of every depositor, the Governor acting on the advice of Cabinet shall cause such deficiency to be met out of the general revenues of Montserrat, and the Accountant General shall certify such deficiency to the Legislative Assembly without delay.

(Amended by Acts 7 of 1966 and 9 of 2011)

Interest

8. (1) Interest shall be payable on ordinary deposits at the rate of 4% per annum or at such other rate as may be fixed from time to time by the Governor acting on the advice of Cabinet by order made with the prior approval of a Secretary of State:

Provided that, not less than three months' notice of any such change of rate shall be given in the *Gazette*.

(Amended by Act 9 of 2011)

Provided that, where an account is closed, interest may be computed up to the last day of the preceding calendar quarter and be added to and become part of the principal before payment is made.

(4) Interest shall be payable on investment account deposits as follows—

- (a) if the deposit is withdrawn before the expiry of six months from the date of deposit no interest shall be payable;
- (b) if the deposit is withdrawn after the expiry of six months from the date of deposit but before the expiry of twelve months from the date of deposit, interest shall be payable on the deposit at the rate of 2% per annum;

Provided that, not more than one-third of such moneys shall at any time be or remain invested in securities of the Government of Montserrat.

(*Amended by Act 9 of 2011*)

(2) Any sums of money that may from time to time be required for the repayment of any deposit or deposits under the authority of this Act, or for the payment of interest thereon or expenses incurred in the execution of this Act, may be raised by the sale of the whole or a part of such securities:

Provided that, any sums of money which may be required for the purposes aforesaid, may, with the approval of the Governor acting on the advice of Cabinet, be advanced to the Savings Bank by the Accountant General out of the general revenues of Montserrat until they can be raised by the sale of such securities and such advances shall bear interest at the rate from time to time payable to depositors.

(*Amended by Act 7 of 1966*)

(2) If in any year the revenue of the Savings Bank shall be more than sufficient to defray the interest due to depositors and all expenses under this Act, then the Governor acting on the advice of Cabinet may direct the transfer of the surplus or any portion thereof to the general revenues of Montserrat:

Provided that, no such transfer shall be made unless the assets of the Savings Bank will thereafter exceed the liabilities by not less than 15% of the liabilities to depositors.
